Important Advisory on Fake Indian E-Visa websites

It has been brought to our notice that a number of fake E-visa websites are operating on the internet, claiming to provide E-visas services to visa applicants. In order to mislead applicants, some of these websites have created images and home page templates mimicking the Govt. of India's websites for E-visa application.

It is advised that the correct website for E-visa is indianvisaonline.gov.in. Applicants are requested not to apply on any other website for E-visa services. The e-visa facility is in addition to the existing Regular Visa services being provided through Indian Consulate. E-visa is directly handled by authority in India, **Consulate has no role in E-Visa.**
